

When travelling from the Jerrabomberra / Fyshwick side of town, the Police Station and Court House are on the left-hand side of the road. Travel past the traffic lights. On the left-hand side, and approximately 1/3 of the way down the next block, is the old Amcal Chemist Arcade. The next building is Oz Property Real Estate, and our office is above Oz Property Real Estate. You'll find our door between Oz Property Real Estate and the Tourist Hotel.
